

SUNSTATE SANDS

POOL RENDER

Creating the
dream

Natural glow

Silky smooth

Easy to maintain

Extremely durable

Cost effective

Enhances and adds value

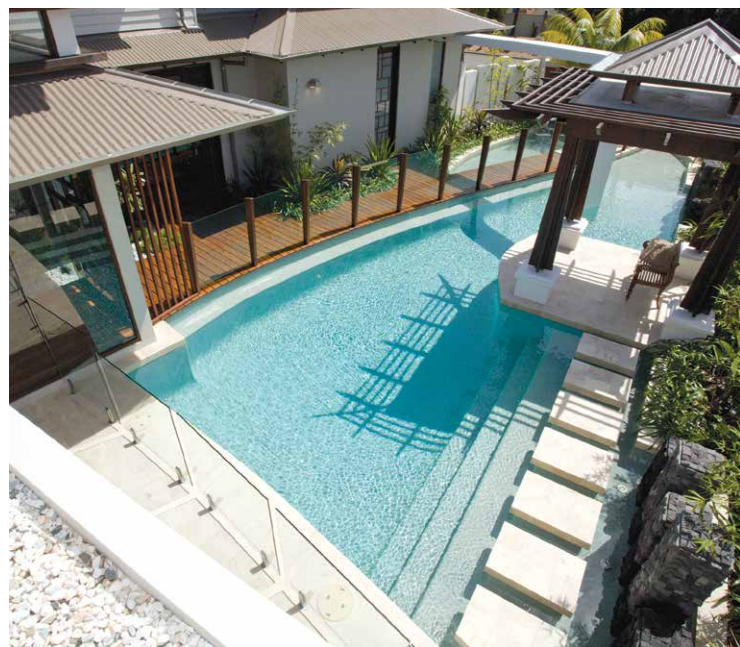

Luxuriate in a Sunstate Sands
rendered pool this summer!

Enjoy the lifestyle you've always dreamt of with a Sunstate Sands rendered pool. Whether you're building from scratch, or renovating, a shimmering Sunstate Sands render transforms and adds value to your home.

Don't be fooled by its silky smooth surface - this is a render, designed with durability and easy maintenance in mind.

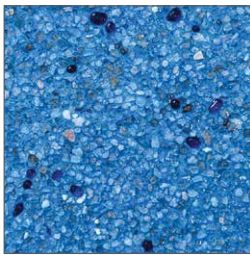

Choose from our exclusive selection of fifteen exquisite colours and be the envy of your neighbours. Each colour is carefully blended before bagging to ensure consistency throughout.

Bring the resort to your home and experience the Sunstate Sands difference today!

View our true to life render samples to help you decide on the perfect finish

Colours and finishes depicted in this brochure may vary from the actual product due to digital and printing limitations. We recommend viewing a true to life sample of the full colour range before making your selection. Pool colour intensity will also vary depending on ambient light, surrounding colours and water depth.
